

Canaan Bowman's Private Piano Lesson Policies

2022-2023

Peachtree Learning Center

Lesson Rates and Payments

- My lesson rate is \$22 per 30-min. lesson.
- The total for each semester is divided into 5 monthly payments.
- Invoices are sent via email and are due upon receipt. Payments may be made by PayPal, check, or cash.
- There is a \$20 yearly registration fee for each student, not to exceed \$40 per immediate family. This fee covers student materials such as practice log books, worksheets and music I provide.

Cancellations

Peachtree Learning Center requires me to abide by the following cancelation policy. In the event of a missed lesson, please note the following:

- Tuition is not refunded unless the missed lesson is a result of the instructor's absence and a make-up lesson cannot be scheduled.
- If you know in advance (a minimum of 24 hours' notice) that you will be absent, your instructor may be able to schedule a make-up lesson, however, the instructor is not required to offer this service as providing instruction to other students who are in attendance is a priority. Make-up lessons will not be offered for last minute cancellations.
- If your child becomes sick and needs to be absent, please notify your instructor as soon as possible. Your instructor will try to schedule a make-up lesson if possible.
- **Per insurance**, if Peachtree Learning Center has to close due to inclement weather, every activity held in the building that day must be cancelled. If a make-up lesson cannot be provided, the student will be credited for that lesson.
- If there is a stormy weather (possible tornados), Peachtree may not have time to make a call on cancellation. This would be left up to the teacher & parent. If a teacher or parent feels unsafe travelling, a make-up lesson should be offered.

Practicing

It is vital that students have a set time to practice piano. This helps build discipline and time management skills that are important to the development of one's character and a very useful life-skill to obtain.

- Students will need an acoustic piano or electric keyboard (88 weighted keys) to practice.
- Younger students (ages 5-8) should practice for 20-30 minutes for at least 5 days a week. Older students (around ages 9 and up) should practice 5 days a week for 30-60 minutes a day.
- Students will have various types of assignments to practice each week (scales, method book, piano literature, theory exercises, etudes, etc.) It is wise to have a small timer with the student that goes off after the suggested practice time has been met for each assignment. This helps break practice time into smaller chunks.
